

**Grimmway Academy**  
**School Accountability Report Card**  
**Reported Using Data from the 2019-2020 School Year**  
**Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

---

Located in the rural community of Arvin in California's Central Valley, Grimmway Academy is a K-8 charter school that is redefining the achievement gap through its innovative blended learning model of instruction. Combining best practices in education with wellness and healthy lifestyle principles, students learn life skills that will support them on their path toward lifelong achievement and success - in whatever they choose to do. Grimmway Academy is a public school: we accept all students, tuition is free, students take the same tests, and our teachers have the same accreditations. Our advantage lies in our flexibility and autonomy to build an academic model that addresses the distinctive needs of our community.

Our Mission is to close the achievement gap for students in the rural areas of Kern County by creating an environment for student excellence and well-being. Our Vision is for Grimmway Academy to transform the education landscape for students in rural areas by providing a model of excellence and innovation leading to college readiness and lifelong success.

The GA model is based on a blended learning approach, where concepts from the core curriculum are reinforced across a variety of different learning experiences. From fractions to history, to the life cycle of insects and plants, students learn concepts from their teachers in the classroom, experience them first-hand in the edible schoolyard and kitchen classroom, and work independently, at their own pace, using the latest technology in the school's Learning Labs. As part of our edible schoolyard program, students learn to grow and prepare healthy foods, while also developing life-enhancing skills, such as cooperation, collaboration, personal expression, and environmental stewardship. We expect great things for our students, parents, teachers, and staff, and strive to ensure a supportive learning environment for everyone. Small class sizes help to ensure that our highly skilled teachers can focus on the individual needs of each Grimmway Academy student.

Students receive two fresh and seasonal meals each day, prepared by our Chefs and nutrition experts in the Grimmway Cafe, where they also learn healthy eating habits and develop positive attitudes to trying new foods. Grimmway Academy also offers an afterschool enrichment program where art, music, homework assistance, crafts, and soccer clinics are available to all students.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential	21	22	16	
Without Full Credential	13	15	20	
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2018-19	2019-20	2020-21
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

## School Facility Conditions and Planned Improvements

The facility was built in July 2011. The school employs a Facility Manager, who inspects the campus on a daily basis. To ensure the school is clean, safe and functional, the school uses a facility survey checklist to do thorough monthly inspections of all areas on campus. If repairs are needed, they are done so in a timely manner. Our Custodial staff keep classrooms, restrooms, and Cafe clean and sanitary.

### School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

**Year and month of the most recent FIT report:** January 2021

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	46	N/A	36	N/A	50	N/A
Mathematics (grades 3-8 and 11)	33	N/A	26	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

#### California Physical Fitness Test Results (School Year 2019-2020)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

## C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-2021)

(For the 2020-2021 school year, all parent involvement is subject to health and safety guidance for in-person meeting as outlined by the CDPH. When appropriate, parent meetings will be held virtually).

Grimmway Academy families are encouraged to perform 30 “Engagement Hours” per family each school year that their child is enrolled. These hours are not a condition of enrollment or student participation in any activity. All approved activities coincide with good parenting practices that help students succeed in school. Research shows that parents involved in their child’s learning at school results in higher student achievement and overall school experience.

Examples of Parent Engagement Hours:

- Attend SPGA Meetings
- Attending a Parent Conference
- Parent Forums
- School Site Council
- Governance & Board Meetings
- Volunteering in the Café
- Preparing Classroom Material

Supervising a School Event  
 Classroom Tutoring  
 Attend a Cooking Class in the Edible Schoolyard

A Mutual Promise form is signed at the beginning of the school year by both the family and school official. The document outlines all the practices Grimmway Academy will implement to help your child succeed at our school. It also outlines what families must promise to do to support their child at GA with the goal of succeeding in our rigorous environment.

The Star Parents of Grimmway Academy (SPGA) is the parent group on campus that supports the stated mission and purposes of Grimmway Academy as defined by the school’s charter and as approved by the Board of Directors. The SPGA is organized for the purpose of promoting the interests of GA in cooperation with the administrators and teachers. In addition, they provide a forum for the sharing of ideas that will benefit GA and for educating parents about the GA educational program.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

**(data collected between July through June, each full school year respectively)**

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.0			3.5	3.5
Expulsions	0.0	0.0			0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

**(data collected between July through February, partial school year due to the COVID-19 pandemic)**

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	5		2.5
Expulsions	0		0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**School Safety Plan (School Year 2020-2021)**

The school will review and update the safety plan by March 1 of each year and report on the status of its plan by July of each year. The annual assessment is completed by the School Site Council.

Grimmway Academy's School Safety Plan addresses and is compliant in the areas of disaster preparedness, student and staff safety, and staff training. All staff are regularly and continuously trained in emergency procedures and have been assigned specific tasks in the case of an emergency.

This School Safety Plan (SSP):

- Conforms to the National Incident Management System (NIMS), the Standardized Emergency Management System (SEMS) and organizes emergency response at all levels in compliance with the Incident Command System (ICS).
- Establishes response policies and procedures and provides Grimmway Academy clear guidance for planning purposes.
- Establishes the need for unified training and response exercises to ensure compliance.

A copy of the Grimmway Academy school safety plan is available in the Principal's office.

### Types of Services Funded (Fiscal Year 2019-2020)

Grimmway Academy provides the same standards as other public schools: we accept all students; tuition is free; our students participate in state tests; we teach core academic curriculum; and our teachers have the same teaching credentials. Our advantage lies in our flexibility and autonomy to build an academic model that addresses the distinctive needs of our community. We provide small class sizes and highly skilled teachers who focus on the individual needs of each student.

We do offer a unique blended learning model to all students. This model reinforces core curriculum across a variety of learning environments and experiences. Students tackle concepts with their teachers in the classroom, work independently to reinforce these concepts using the latest technology in our Learning Lab. Students also rotate through Art, Physical Education and Music.

Title I funds are used to support core academics in the Learning Lab by providing supplemental learning, intervention with at-risk students, professional development for teachers and staff, and parental involvement.

## Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	22	22	22

Grimmway Academy believes that a strong professional learning program is essential to developing teachers and student achievement. The school calendar is designed to have shortened days every Friday dedicated to adult learning. In addition, there are 15 days of adult learning in the summer, two at the end of every quarter, and five during the winter break. Three times a year the Shafter and Arvin campuses review common interim data and set priorities for learning. Grimmway Academy has established a balanced adult learning program with four main components: data analysis and curricular planning, instructional best practices, solutions teams and personalized adult learning. Professional learning has three-points of emphasis; engagement, rigor, and assessment.

Professional learning is also embedded throughout the school day. Teachers have a 75-minute preparation each day. Once a week during prep the teachers meet in a department PLC (professional learning community) focused on inquiry questions and analyzing student work. Another day during prep teachers meets with an instructional coach to plan and review lessons. Every two weeks teachers meet either the principal or assistant principal of instruction to review academic data and their personalized educator plans.

Grimmway Academy also partners with high-quality organizations to enhance professional learning for teachers. Two Teacher Leads (TLs) have on-going training through the Loyola Marymount Center for Math and Science Teaching (CMAST). STEM teachers work with TLs to plan, review observations, and participate in PLCs and professional development. All elementary school teachers work with Success For All coaches on literacy instruction. Through a partnership with the New Teacher Center, teacher coaches receive ongoing training and support.
